Holiday Market at the Cotton Gin

The Cotton Gin, part of the Dorn Mill Complex, is home to a Holiday Market. Local and regional artisans will be selling beautiful handcrafted merchandise: jewelry, jellies, jams, quilts, baby items, baked goods, etc.

The McCormick County Historical Commission is dedicated to preserving our history. The Dorn Mill Complex was built in 1898 and the mill is one of the few remaining grist mills of its type in the nation. During the first half of the twentieth century, cotton and other farming endeavors was the principal industry for McCormick town and county, propelling the economy of our region.
