### About the MACK

The McCormick Arts Council at the Keturah (MACK) opened its doors in 1985 to provide quality programming to the public. Its mission is to provide art, culture, and education to the region. The MACK is home to an art gallery with exhibits that change monthly and offers a variety of programs.

The MACK is located in Historic Downtown McCormick in the Keturah Hotel, which is listed on the National Register of Historic Places. The existing hotel was built in 1910 on the site of the original Carolina Hotel, which burned in 1898.

*The MACK is temporarily closed for rehabilitation.*
