McCORMICK COUNTY
Chamber
OF COMMERCE

Welcome to McCormick County

McCormick County encompasses a diverse collection of communities connected by a historic rail line that winds its way through our county. One of the newest communities is Savannah Lakes Village, where old families and newcomers alike enjoy a recreational lifestyle on the lakefront that defines us. We are a place where you can savor your surroundings, where a connection to the natural world is as close as your front door and a traffic jam means a family of whitetail deer. Today we are building a 21st century economy around industry, the arts, culture, recreation and tourism.

As you settle into your new home there are many resources available. This Newcomers Guide is designed to address your questions and to provide services available at the Chamber of Commerce and Visitors Center. This guide includes the following:

- * [Directory of County and Town Services](#)
- * [Volunteer Opportunities](#)
- * [Message from the Chamber of Commerce Executive Director](#)
- * [Chamber Membership Services](#)
- * [Advertising Messages from our Chamber Members](#)
- * [McCormick County Annual Events](#)
- * [Chamber and Visitor's Center Services](#)

We hope that you find this guide helpful, and we welcome your questions. For more information please visit the following:
