

Newcomers Guide McCormick County, SC

Welcome to McCormick County

McCormick County encompasses a diverse collection of communities connected by a historic rail line that winds its way through our county. One of the newest communities is Savannah Lakes Village, where old families and newcomers alike enjoy a recreational lifestyle on the lakefront that defines us. We are a place where you can savor your surroundings, where a connection to the natural world is as close as your front door and a traffic jam means a family of whitetail deer. Today we are building a 21st century economy around industry, the arts, culture, recreation and tourism.

Town of McCormick, South Carolina

The Town of McCormick, South Carolina. McCormick is a great town and our goal is to provide our citizens with the full range of services a town can offer.

McCormick is unique offering quiet traditional quality of life with nature's amenities all around. We are buffered by 63,000 acres of national forests, three state parks, and 70,000 acre Lake Thurmond.
